FIFTEEN CENTS

ONE OF THE BOATS REPRESENTING ANTIOCH at Sunday's "Anchor-In" in Fox Lake was the "Blarney Island Queen," carrying village officials and others interested in

cleaning up the Chain o' Lakes. Other pictures of the big demonstration at Korpan's Landing appear inside.

Boaters Demonstrate To Save Lakes

By JERRY PFARR

A few years ago Dan Walker walked across the state of Illinois to gain popularity and become governor.

The only way he could have been popular last Sunday was if he had come walking across the water in Fox Lake.

That's where nearly 250 boats and almost 2,000 people gathered for an "Anchor-In" to

protest the governor's veto of funds to combat flooding and pollution in the Chain o' Lakes.

THE SITE was Korpan's Landing and the big demonstration was to support an override of the governor's veto of a \$940,000 appropriation for improvements in the area. The proposal didn't get a single dissenting vote in the state legislature.

Grant Township Supervisor Harry Robin coordinated the demonstration. Speakers included area legislators, Bill Schroeder of Lakeland Newspapers, and William E. Brook, chairman of the Chain o' Lakes-Fox River Commission, which asked for the \$940,000 as a first step in saving the area waters.

BOATS PARTICIPATING Sunday ranged

Free Cancer Clinic Sept. 13

Time is running out to make an appointment for the free pap, breast and colon clinic in Lake Zurich.

Dr. Anthony Ciluris of the American Cancer Society is heading the clinic, which will be in his offices at 41 E. Main in Lake Zurich on Saturday, Sept. 13 from 2 p.m. to 8 p.m.

The clinic is by appointment only (call 438-2709) and is open to both men and women.

Each examination runs about 10 minutes and includes a pap test and breast examination.

Jim McMillen To Be Honored

The Antioch Sequoit football teams will honor one of Antioch's foremost citizens Saturday designating that day "Jim McMillen Day."

It will be the gridiron opener for the Sequoits as they take on the Woodstock Blue Streaks. Mr. McMillen will be honored at a presentation prior to the varsity game which is scheduled to begin at 2 p.m.

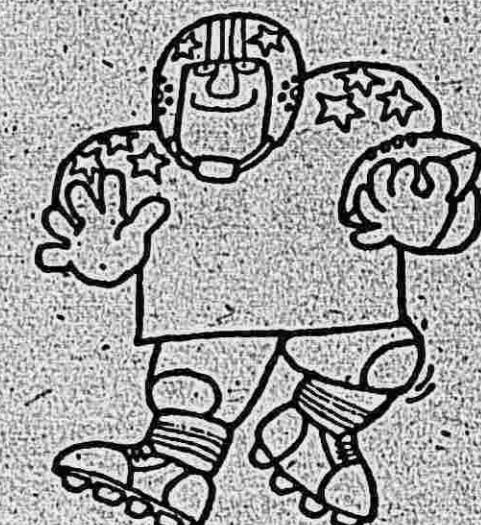

James W. McMillen, who served as mayor of Antioch for six years beginning in 1949, graduated from Libertyville High School in 1920.

From there he attended the University of Illinois where he achieved honors in both football and wrestling.

He was captain of the 1924 Illini grid team and won All-American honors. He was also the Big Ten heavyweight wrestling champion.

From 1924 to 1928 McMillen starred at guard for the Chicago Bears and George Halas. While playing for the Bears, McMillen also began a professional wrestling career that continued for 17 years. McMillen's wrestling career ended in 1950 with nearly 1,500 matches, including many in Lake County.

After serving as mayor of Antioch, Mr. McMillen also devoted time to positions with the Illinois Department of Conservation and the Lake County Forest Preserve District.

BARRY GOLDWATER

U.S. Threat to Peace?
Some Liberals Think So

By SEN. BARRY GOLDWATER

In its 200-year history the United States has never followed an imperialist policy of territorial acquisition. Nor has it ever been anything but generous and helpful to nations less fortunate than itself.

Regardless, a sizable portion of the liberals elected to Congress in 1974 believe their country is "the greatest threat to world peace" in existence anywhere.

According to a survey by The Washington Post, 27 percent of the new Democrats in the House of Representatives believe the United States, with the Arab countries, is the leading culprit on the international scene. They put the United States ahead of the Soviet Union, Red China and Israel, all of whom received a 20 percent vote of no confidence.

THE SURVEY was not limited to just the new members of the House. It covered the

entire membership, both Republican and Democrat. Only 13 percent of the House liberals ranked the United States as the world's No. 1 warmonger, but 63 percent voted against the United States increasing its naval activities in the Indian Ocean to match Russian naval and missile buildup.

On the other hand, Republican conservatives cast no votes against the United States, and 69 percent of them agreed that

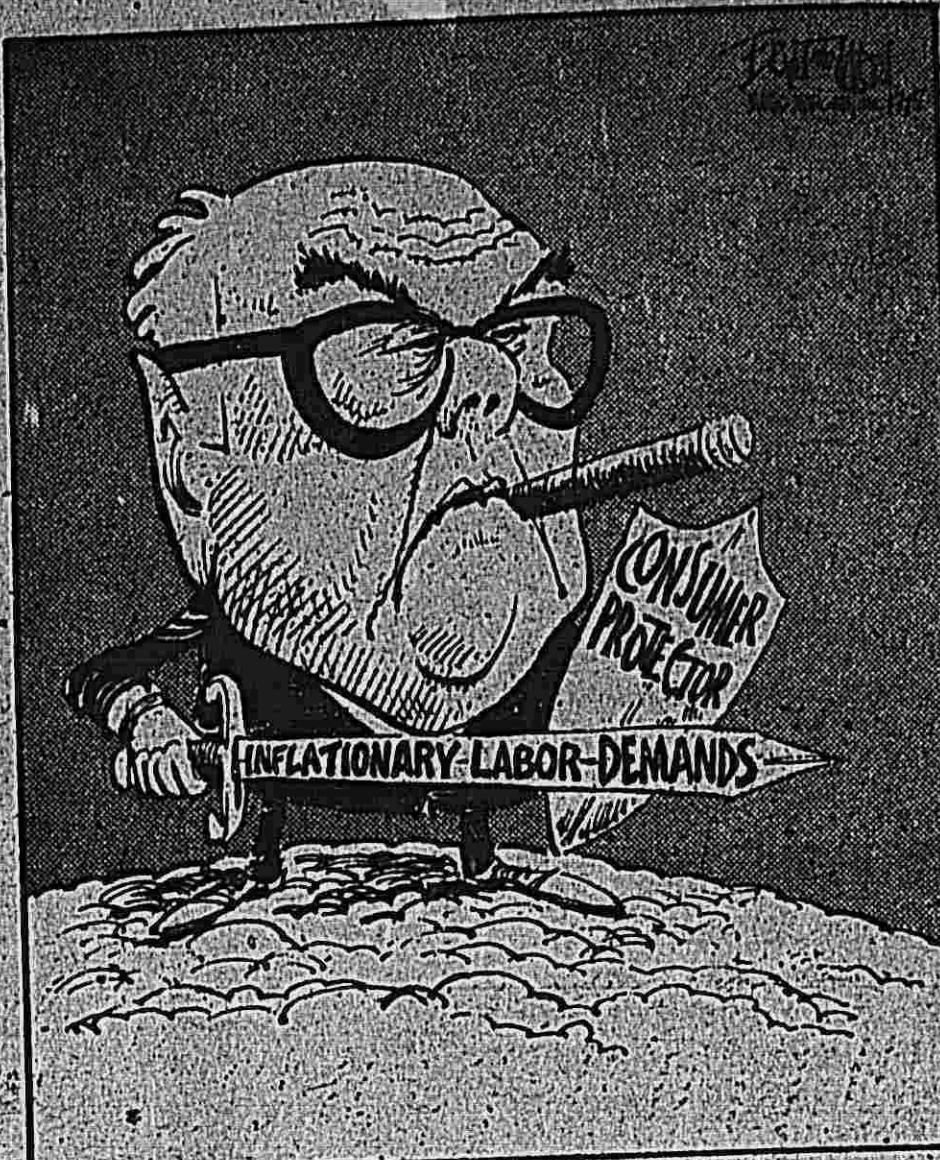

the Soviet Union was the greatest threat to world peace followed by China.

Conservatives of both parties supported the military buildup in the Indian Ocean by 78 percent to 11 percent.

THIS IS indeed one of the saddest commentaries yet about the legislative branch of the U.S. government. If the elected representatives of the American people have no more faith in their country and their Congress than to believe it constitutes the greatest of all threats to peace, then they have either listened too long to or absorbed too much of the Communist Party line or they have absolutely no comprehension of world affairs.

Republicans could use this survey alone for campaign purposes to convince the American people there is something radically wrong with the liberals' approach to and concept of history.

The United States is strong but it cannot afford domestic detractors who seem to revel in every opportunity to downgrade and debase their own country. After all, the United States is not the nation that concentrates all of its efforts toward a policy of world domination. If there is a threat to peace in this world, it is not the United States but the master of Eastern Europe.

Let Not Thy Left Hand Know
What Thy Right Hand Doeth

The Town Crier

opening a business in the Antioch area.

Speaking of businesses, we're sure sorry to see the "Slice of Life" saying farewell. Lil Ravell is an excellent person and she offered Antioch a beautiful gift shop.

We have spent a considerable amount of time in the last few days opening our mail ... most of it junk mail.

The amount that pours in from tax-supported agencies and bureaus is frightening.

At least 90 percent of them send to newspapers a steady flow of press releases that are good-for-nothing but filling the wastebaskets.

THE PUBLIC Relations business is one of the biggest ripoffs in America. Publicity people are hired to turn out reams of slanted material. Most of it is so poorly written, or non-newsworthy, that editors simply toss it into the circular file.

There are some good and worthy public relations departments and people. But they are few and far between. Others are paid big salaries to spread the propaganda of executives who want to tell only the good about their company, or agency, but never the whole truth.

It's sad. And a lot of it is costing the taxpayers a small fortune.

THOSE WHO object to good-natured jokes about the different nationalities and races wouldn't have enjoyed last week's excellent television show, the roasting of O.J. Simpson.

There was a good line about how O.J. got his start in sports. He was so strong they used him

Editorial

Respect the School Bus

Now that there are two kinds of school buses operating in the area, let's review what the flashing lights are all about.

Some of the buses have yellow flashing lights that indicate the driver of the bus is preparing to stop within the next 200 or 300 feet.

Even though the bus is still moving, the yellow flashing lights tell motorists that they are not allowed to pass. They don't mean "stop," just slow down and don't pass.

When those yellow lights go off, that means the bus has come to a stop and, simultaneously, red flashing lights will come on and a stop sign will extend on the driver's side of the bus. That means the bus door is open and children are either getting on or getting off. State law says absolutely no passing.

All buses in the area don't have this new 8-light system. It's a good one, warning motorists well in advance to stay in position behind the bus.

Obey those caution lights, please. As we parents all know, those school buses are carrying the most precious cargo in the world.

The Time Machine

70 YEARS AGO: AUG. 31, 1905

It is peace. The end of the Russo-Japanese war, the greatest struggle of modern times, has come at last. At noon Tuesday the outcome was announced to the world. An armistice is already arranged between the mighty armies now facing one another in Manchuria.

Found - In Antioch, a baby's cloak. Owner can have same by calling at this office, proving property and paying for this notice.

20 YEARS AGO: SEPT. 1, 1955

As a million Illinois school children reluctantly forego playgrounds for classrooms, Gov. William G. Stratton joined Chicago Motor Club President Charles M. Hayes in a plea to motorists to exercise increased alertness and reduced speeds.

Seventy-eight candidates are in uniform and practicing for the Antioch Township High School football teams. Thirty-one are getting their first plays under the instruction of Coach Paul Kessenich and his assistant Coach Lawrence Leon.

10 YEARS AGO: SEPT. 2, 1965

Thomas Michael Risch, new-born son of Mr. and Mrs. Gerald Risch, Rt. 1, can claim a certain spot beside the highway between Antioch and Waukegan as his birthplace. He was born in the Antioch Rescue Squad truck as they lost their race to Victory Memorial Hospital.

Homecoming Theme Contest Underway

The student council of Antioch Community High School has announced that Homecoming activities will be held Oct. 11-18. As in the past, the State Bank of Antioch will sponsor a contest to select the Homecoming theme. The winner will be chosen by the student council and will receive a \$50 series "E" bond.

The theme choice should be simple, original, easily understood and capable of being

illustrated. Enter as often as you wish. Open only to residents of the high school district, regardless of age. All entries become the property of the ACHS student council. Use the form in the advertisement in today's Antioch News or copy it on a plain sheet of paper.

All decisions of the judges are final. Deadline for entering: Sept. 17. Mail entries to: ACHS Student Council, c/o Mr. D. Monke, 1133 S. Main St., Antioch, IL 60002.

as a javelin catcher.

When he went to the University of Southern California it took them two years to teach him to run with a football ... he was used to running with toasters.

A Number to Know

Lost your Social Security card? You can get a duplicate by notifying any Social Security office, which should be done as soon as possible. Generally this can be handled by mail.

You can get a duplicate faster if you've kept a record of your Social Security number, and give it when you report the loss. The duplicate card will have the same number as the original. Your Social Security number is yours alone and remains the same for life.

Earnings from jobs covered by Social Security are credited to your Social Security number to build retirement, disability, survivors and Medicare protection for yourself and your family. If you ever lose or misplace your card, apply for a duplicate immediately.

Impasse Declared In Grade School Negotiations

The Antioch grade school board and the district's teachers have reached an impasse in their contract negotiations.

That means a mediator will be brought in, perhaps within a week.

Talks have been going on since early in the year, but the two sides have failed to agree on a contract.

District 34's negotiation team has been bargaining with the representatives of the Antioch Elementary Education Association. The association represents about two-thirds of the district's approximately 80 teachers.

Robert E. Kelley, a member

of the school board, said the breakdown in negotiations was "nothing drastic at this point. We just couldn't arrive at an understanding."

The two sides reportedly have been negotiating about non-salaried items, such as working conditions, as well as pay.

America Out-Talks Rest of the World

The U.S. has more phones than any other country, according to AT&T. Americans have 138.3 million phones, an average of 65.47 phones for every hundred people. The world average is 8.6 per hundred.

ED MC NALLY, ANTIOCH, is now a full time weekend-late model stock car driver. McNally recently bought the car while at the Lake Geneva Raceway and drove it for the first time that night. Now he is gaining experience and wants to be among the leaders before the season ends. The car is a 1973 Camaro, built for the hard cornering action at the Raceway. McNally joins Jack Ester and Tom Homan, Antioch drivers also competing at Lake Geneva. The Raceway is promoted by Toft Auto Racing of Antioch.

Democrats Search for Candidates

The Democratic Search Committee will hold its next meeting at 8 p.m. on Thursday at St. Francis Church in Lake Zurich. The committee is seeking candidates for U.S. Representative, State's Attorney, Auditor, Coroner, Recorder of Deeds and Circuit Court Clerk. The offices

SAVE YOUR HEART

Picking up the leaves scattered over your lawn may make your heart beat faster, and not alone because of the beauty-and-bounty-of nature. The exertion can strain your heart.

You can save time and effort with a new low-cost invention called the "Griffin Leafer." It helps people pick up leaves two-thirds faster than by using the hand-raking method. And it's easy. All you do is rake the leaves into many small mounds and then pick up two-to-three bushels of leaves-including grass cuttings and twigs-with every scoop of the Leafer.

This product is sold direct for \$4.95 (postage paid) by Griffin Products, Inc., P.O. Box 562, Greenwich, Conn. 06830.

Mankind is — The favorite animal on earth.

are all presently held by Republicans.

The committee is also seeking a State Senatorial candidate and two State Representative candidates for the 32nd District. Incumbent Daniel M. Pierce (D-32nd) is seeking state-wide office. However, if he is not slated by the State Central Committee, he is expected to stand for reelection in the 32nd, in which case the county committee will be seeking only

a running mate for him. State Representative John Matijevich (D-31st) is expected to seek re-election, so the committee is looking for a running mate to campaign with him.

F. James Lumber, Antioch attorney, appeared before the search committee at its last meeting and announced that he will run for U.S. Representative against Republican incumbent Robert McClory.

Morning dues and some fall hues.

Most children are going back to school now, so drive carefully... Everyone's making apple cider now... First quarter of the moon Sept. 12... Shortest twilights this week... Average length of days for week, 12 hours, 43 minutes... Air mail from NYC to San Francisco took four days in 1920... Russians hit the moon Sept. 12, 1959... Being unhappy in this season is almost like treason.

Old Farmer's Riddle: What's the only coat you put on wet? (Answer below.)

Ask the Old Farmer: We have a camp in the mountains and we are bothered by bats. We have taken the usual precautions of caulking all noticeable cracks. Can you suggest an effective method of ridding our camp of bats? C. N., Brattleboro, Vt.

Open things up so the critters can fill the place, and when they are stowed away in the daytime, touch off a few sulphur candles.

Home Hint: One of the best ways to remove rust from outside metal fixtures is with steel wool dipped in kerosene. Follow by polishing with liquid wax... Riddle answer: A coat of paint.

OLD FARMER'S WEATHER FORECASTS

New England: Most of week is mild and fair, except for possible hurricane at start and storm midweek.

Greater New York-New Jersey: Possible hurricane to start, some rain midweek; rest of week clear.

Middle Atlantic Coastal: Week begins clear, continues through midweek; latter part cloudy with highs in upper 90's.

Piedmont and Southeast Coastal: Hurricane possible first part of week; becoming clear and very hot by week's end.

Florida: Hot and partly cloudy throughout, with some thunderstorm activity; sunny all week on Gulf.

Upstate and Western N.Y., Toronto and Montreal: Week begins with heavy rain in the east, hurricane, then clearing; latter part rainy.

Greater Ohio Valley: Mostly clear and hot throughout week, with high temperatures near 100 by week's end.

Deep South: Heavy rain in the west and Gulf to start, then clear and warm in central and north; latter part hot.

Chicago and Southern Great Lakes: First part of week clear and hot, then becoming partly cloudy; heavy rain in east by week's end.

Northern Great Plains-Great Lakes: Generally clear and hot through midweek, then rain in central and east, cooler at the end.

Central Great Plains: Clear and hot in south and west to start, then showers in north by midweek; weekend is rainy.

Texas-Oklahoma: Entire week is clear and very hot, with a few showers along the Gulf.

Rocky Mountain: Except for heavy rain in central and north midweek, mostly clear and warm all week.

Southwest Desert: Continued clear and hot weather, with thunderstorms in southwest midweek.

Pacific Northwest: Partly sunny and warm throughout; moderately heavy rain latter part.

California: Week begins with rain in south, then clearing clear and very warm in north.

Where Our Customers Send Their Friends

—Service Is Best And Cars Cost Less

DEADLINE FOR NEWS STORIES:
MONDAY NOON

Domestic & International ABC's of Travel

By BARB CORBIN

REFUNDS - Unused or partially used tickets usually can be obtained from the airlines ticket counters right while you are at the airport.

A cash-paid ticket is refunded in cash or by check. For a refund on a ticket charged to a credit card, the customer is given a check payable to the credit card company. Submit the check to the credit card company and the refund should appear on the following month's statement.

If you use a lesser class of service, a gate agent will give you a form verifying this and entitle you to a refund when presented along with your ticket receipt to a ticket counter. If you don't have time at the airport for the various refunds, then take your ticket back to the Travel Agent who sold you the original ticket.

DENIED BOARDING COMPENSATION - This is something many do not know they are entitled to: If all of the following three conditions exist: (1) there isn't room for you on the flight for which you have a confirmed reservation, and (2) the flight departs without you, and (3) the airline cannot arrange alternate transportation which will arrive at your next point of stopover or destination earlier than, or not later than, two hours after the planned arrival time. The compensation will be \$25 to \$200.

BOYD and Wood

Along the way with ANNIE MAE

Too bad the weatherman didn't cooperate very well this past weekend. I'm sure many plans were spoiled. However, Monday was pleasant leaving at least one day for picnics and boating.

The "Blarney Queen" carrying several of Antioch's village officials was among the 250 boats on the Chain this Sunday. Area boaters, along with many people who came in cars, gathered for a demonstration to protest Gov. Dan Walker's veto of the \$940,000 the state legislature approved for the dredging of the Chain O'Lakes.

Be sure to write to your state representatives and senators. If enough people write to protest this veto, House and Senate representatives can take action in their next session to override it.

Have you been to Walsh's All Season's lately? Owner Don Walsh has transformed the inside into a complete sporting goods store, with complete lines of sporting goods and clothes. Looks really nice, Don!

THIS MONTH is PM&L's "season Ticket Month." Season 15 will offer five plays for the Bicentennial era. "The Man Who Came To Dinner" opens in October; "The Golden Grotto" in December; "A Streetcar Named Desire" in February; "The Education of Hyman Kaplan" in April and "Lion In Winter" in June.

Tickets are \$8 for the season. Send your check to PM&L, Box 23, Antioch, IL 60002.

Antioch High School golfer Del Gorski, a sophomore, scored a hole-in-one in a practice round on the 11th hole at Spring Valley Country Club

last Thursday. This is the first Ace scored by a member of the golf team in recent years and was duly witnessed by two other golf team members. Congrats Del, keep up the good shooting!

Shirley and Bernie Gutowski and their family spent a long weekend in Door County, doing lots of scuba diving, looking for treasures of the deep.

The Tom Poernich family returned from visiting Deanne's family in Virginia just in time for school to begin. While there,

they were able to spend some time at the ocean and visiting historical areas. By the looks of the pictures I would say they sure do have huge crabs out there as well as some lovely and plantation homes.

THE ANTIOCH Fire Department has a new member - Mike Horton. Mike's brother Denny, of course, is an active member of the volunteer department so Mike joins the fire-fighting crew.

Learn To Play 'Shortcourt'

By ED COLLINS

Many inexperienced tennis players never learn how to play because they are not familiar with the game's tedious progression of learning. They attempt to swallow too much too soon.

You may be among the millions of "hit-and-giggle" players who spend 95 per cent of their time picking up balls and apologizing to their neighboring players for being a nuisance.

Tennis is not a snap to learn. It takes time, patience and an understanding of the learning process. For example, before you can expect to play a game of full court tennis like the experienced players, first you must master a leadup game called "short court" or "mini tennis."

"Shortcourt" is a ground-stroke game (forehands and backhands) that is played within the boundaries of one-half the service court. Each player takes a position behind the service line. Either play-

er may start the point by dropping the ball and tapping it across the net and into the service court. The point is in play when the receiver successfully returns the ball. No volleying. Points are kept "Ping Pong" style. First to 15 wins.

The lesson to be learned from this game are many:

1. Control the ball. (You won't get anywhere trying to kill it!) After a few practice sessions you should start to develop a "feel" for controlling the ball. Maybe you'll even lose some of your nervous anxiety on the court.

2. Abbreviate your back-swing. Because of the confined court area, it is impossible to exaggerate your backswing and keep the ball in play. You must be conservative in your technique.

3. Concentrate on the ball. The pace of the ball is slowed in this game, which makes it easier for you to concentrate on the ball, its spin and bounce. Watch it into your strings.

4. Develop footwork. The extra time will help you concentrate on your footwork. Shuffle your feet to the ball ... be flatfooted and on balance at point of contact ... and slide back to ready position. Be rhythmical.

Experienced players can benefit from "Shortcourt" by using the entire service court area. Players alternate serving 5 points until one reaches 21, winning by a margin of 2. The serve starts the point. You'll be surprised what an education this will be concerning spins and angles. Get ready to run too.

'Historical Hop' To Be Discussed

The Antioch Mental Health Association will meet at 8 p.m. on Thursday, Sept. 11, at

Lorenz's Smart Country House. Association officers said it is an important meeting since

plans will be discussed for the Historical Hop, a bicentennial costume ball scheduled Saturday, Oct. 11, at 8:30 p.m. at Lorenz's.

There will be prizes for the best historical costumes. In addition to dancing, there will be a "festive buffet" at 11:30 p.m.

The association has pattern books for members wishing to sew their own costumes. There also are costume rental stores listed in the yellow pages of the Waukegan and Chicago telephone books.

Astro- Analysis

By Sonia

ARIES [March 21 - April 19] — Let others take charge while you play a less conspicuous role. You are more likely to succeed by offering your services willingly and following instructions.

TAURUS [April 20 - May 20] — Your first impressions are usually correct; perceptiveness is keen. Although business decisions deserve your best efforts, pay attention to intuition and follow those hunches.

GEMINI [May 21 - June 21] — Administrative abilities are exceptional so put a good planetary trend to constructive use by promoting self-interests. Self-confidence adds charisma to your personality.

CANCER [June 22 - July 21] — Make every effort to get along well with superiors. Resisting authoritative advice shows a stubborn streak. Show defensibility.

LEO [July 22 - August 21] — Check out all new opportunities; you may be more in demand now as others recognize your capabilities. Keeping some order about things makes routine matters a snap.

VIRGO [August 22 - September 22] — Judgment can't be trusted fully in money matters now. Your tendency to overspend can be curbed by operating on a stricter budget. Make the revisions it takes to maintain control.

LIBRA [September 23 - October 22] — Your direct approach may catch close associates off guard. Try to play down the tendency of coming on too strong and operate in a more subtle, tactful manner.

SCORPIO [October 23 - November 21] — Be charitable and show empathy toward those who are in a less fortunate position now. Others may confide in you; listen attentively but don't be quick to give advice.

SAGITTARIUS [November 22 - December 20] — Objections are within your grasp now as past efforts pay off. Your views are still unconventional so share companionship with people who are in agreement with you.

CAPRICORN [December 21 - January 20] — Come to terms with relatives who object to your present habits. Be ready to accept the possibilities of an abrupt change in a set routine. Diplomacy is your best tool.

AQUARIUS [January 21 - February 19] — Maintaining good physical shape requires rigid discipline on your part. Be willing to give up a few luxuries to achieve your ultimate goals. Things work out favorably with romance.

PISCES [February 20 - March 20] — Intellectual pursuits play an important role in present lifestyle. People who offer stimulating thought-provoking ideas are your best choice for company.

STEADY STREAM

ERLE STANLEY GARDNER, CREATOR OF "PERRY MASON", DICTATED UP TO 10,000 WORDS PER DAY, WORKING WITH HIS STAFF ON AS MANY AS 7 NOVELS AT ONE TIME. BY THE TIME OF HIS DEATH (1970) HIS BOOK SALES WERE OVER 170,000,000.

GAINING IN POPULARITY is the Golden Ochs, on Rt. 83 south of Antioch. Now under the management of Katharina and Hermann Ochs, the restaurant features hot lunches and, after 5

p.m., complete dinners. It is closed on Tuesday. Katharina and Hermann have created a delightful atmosphere and the prices are very reasonable.

Adopt Policies for Free Lunches

Three more local schools, Antioch Community High School and Emmons and Grass Lake grade schools, have announced their policies for free meals and milk for children unable to pay the full price of meals and milk served under the National School Lunch and Special Milk programs.

Most local schools are adopting the U.S. Department of Health, Education and Welfare guidelines, which follows:

Family Size	Family Income Meals and Milk	Family Income Reduced Price Meals
1	\$ 3,230	\$ 4,520
2	4,240	5,930
3	5,250	7,350
4	6,260	8,770
5	7,190	10,060
6	8,110	11,360
7	8,950	12,530
8	9,790	13,700
9	10,550	14,770
10	11,310	15,840
11	12,060	16,890

Some may offer the reduced price meals; others may not. Children from families whose income is at or below the levels shown are eligible for free meals and free milk. In addition, families not meeting these criteria but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to the mental or physical condition of a child, and disaster or casualty losses are urged to apply. Application forms are being sent to homes in a letter to parents.

On Jan. 28, 1915, President Woodrow Wilson signed legislation creating the U.S. Coast Guard.

"La, la! I know something you don't know. La, la, la, la, la!"

PM&L Cast Selected

The cast has been selected for "The Man Who Came to Dinner," the PM&L play opening in Antioch on Saturday, Oct. 11.

The comedy by Moss Hart and George S. Kaufman is being directed by Valerie Hunley. Other dates are Oct. 17, 18, 24 and 25.

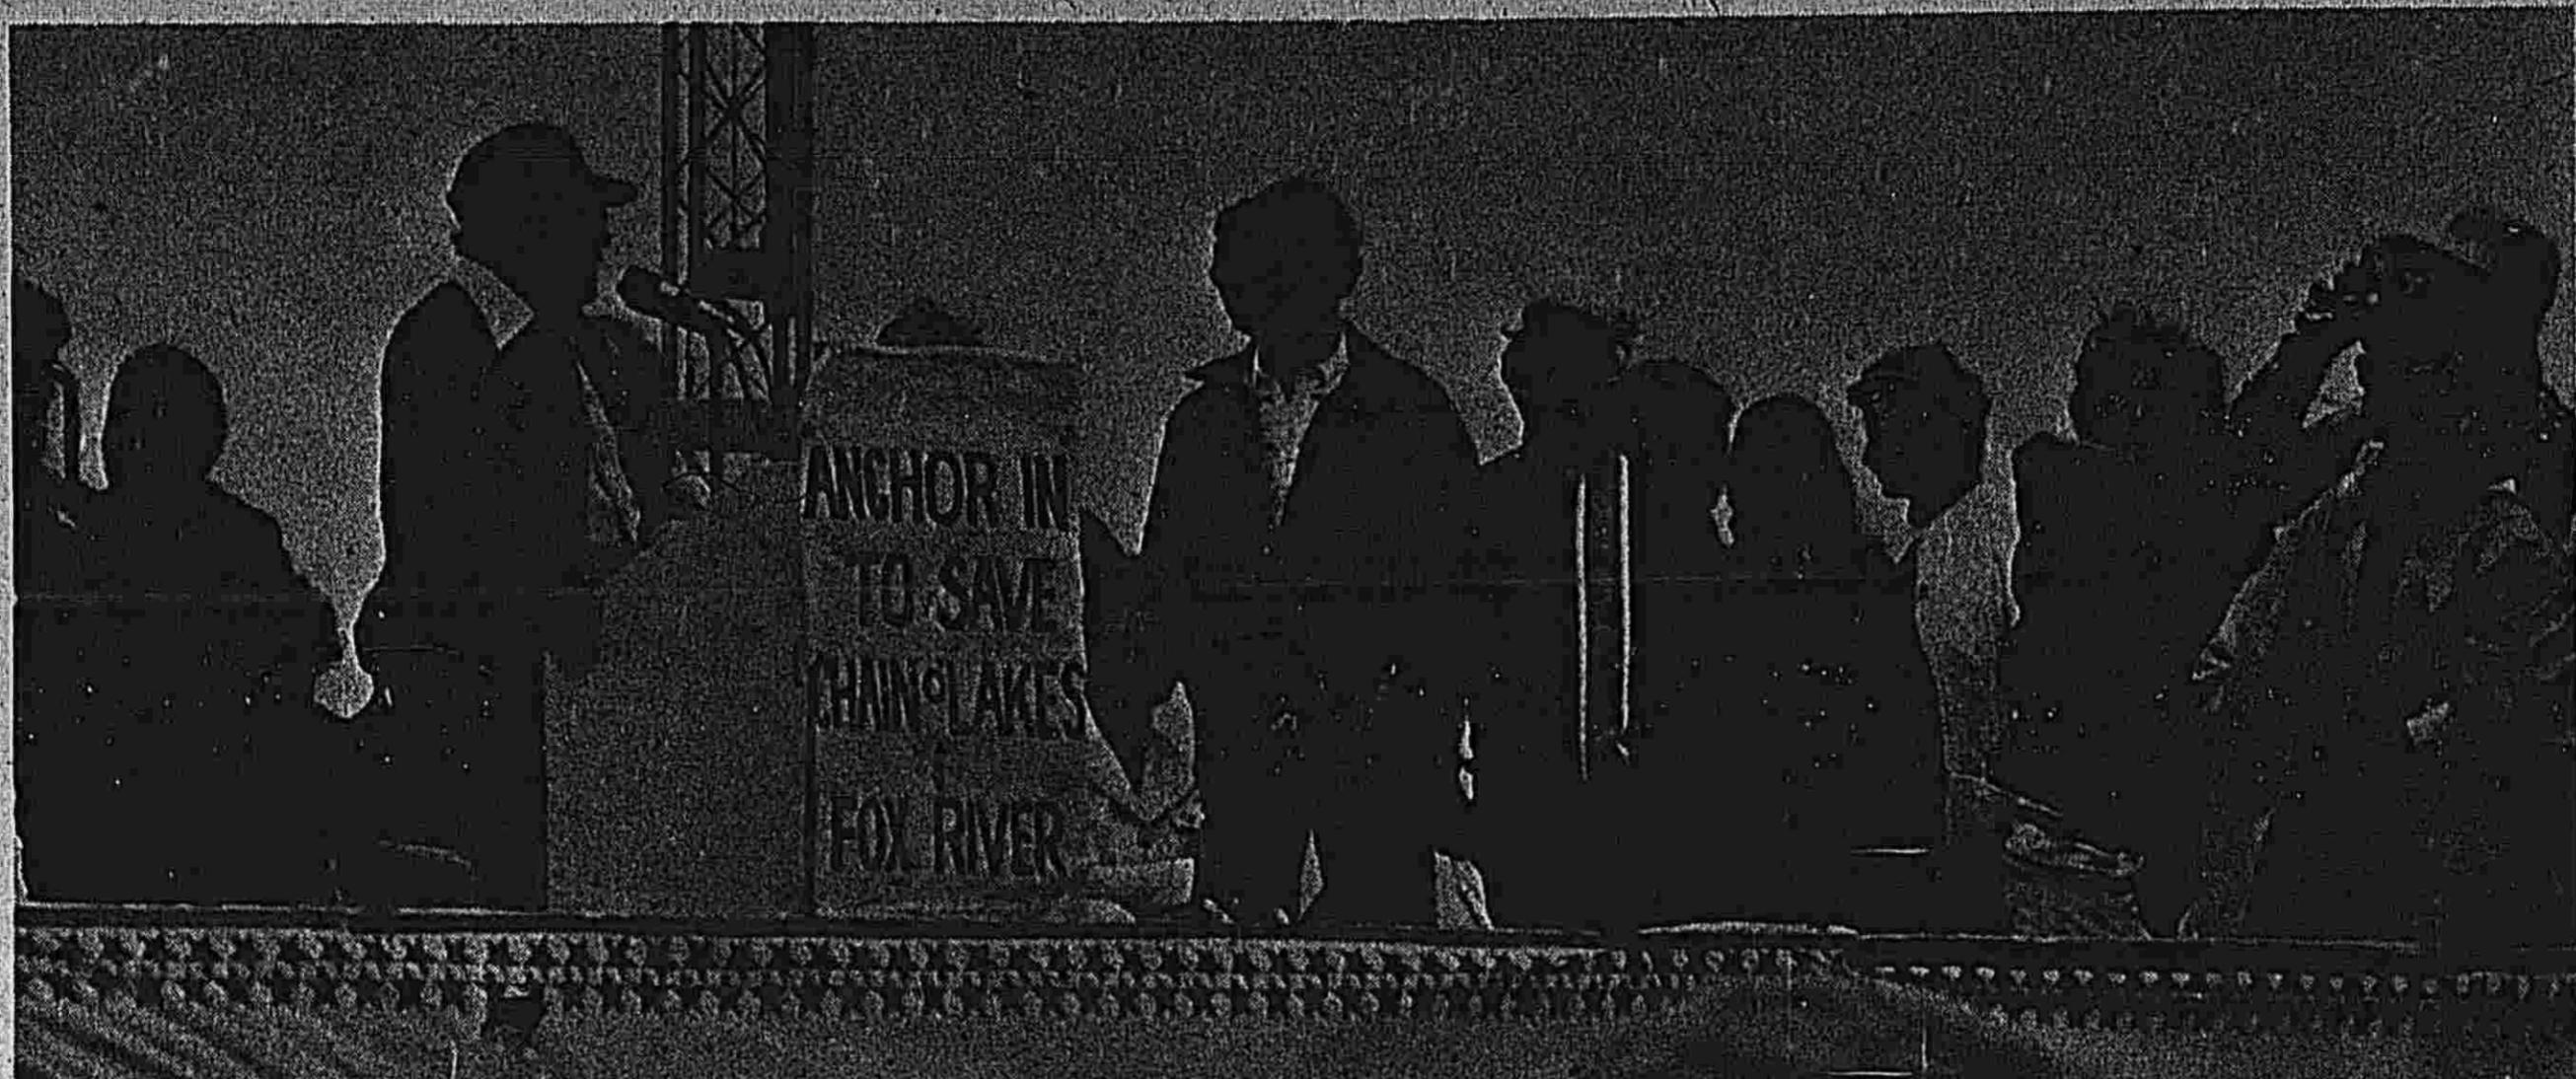

Josef Hunley leads the cast as Sheridan Whiteside, the role that Monty Woolley made famous. Betty Beveroth, Bob Lindblad, Wanda Springer, Dee Baum and Michael Shapiro make up the Stanley family.

The romantic leads are Mary Chris LaKome as Maggie Cutler and Gary Richter as Bert Jefferson.

Pat Jamison is Lorraine Sheldon, the actress; Don MacKenzie plays Beverly Carlton, and Dr. Al Bucar is Banjo.

Other roles are played by Lyn Zahler, George and Debbie Blanksten, Gerri Duncan, Donatelle, Ken Smouse, Don Beveroth, Joe Kanable, Todd Seisser, Greg Mieure, Ken Sinclair, Christie Mackenzie and Ralph Brooke.

AMONG THE SPEAKERS at Sunday's "Anchor-In" at Fox Lake was William E. Brook of Antioch, chairman of the Chain o' Lakes-Fox River Commission. Just to the right of the podium is

Antioch's mayor, Robert C. Wilton. Brook and other speakers urged that Gov. Dan Walker's veto of funds to clean up area lakes be overridden by the state legislature.

Speakers Rap Walker Veto, Boaters Honk Horns

Continued from page 1

from a canoe to the Blarney Island Queen, which carried Antioch village officials. The sheriff's patrol and Wayne Sanford of Smith Marine led another caravan of boats to the "Anchor-In" site. The village of Lake Villa also had a boat in the show.

Most of the boats were decorated, bore banners or signs criticizing Gov. Walker, and honked horns whenever one of the 10 or 15 speakers called for action to clean up the lakes.

One of the nastier signs said:

"Give Walker a boat ride ... on the Titanic."

Another said:

"Give the next generation a present ... a clean Chain o' Lakes."

More boats and people were expected but threatening weather kept many away.

THE THREE state senators and nine representatives on the speaker's platform said they would go to Springfield in October and try to override the governor's veto. They asked citizens to write every legislator in the state.

Antioch's "Blarney Island Queen" was one of the most impressive boats. Harry Robin recognized that:

"If you haven't been to Blarney Island, you haven't been to the Chain o' Lakes," he said over the microphone.

Chicago television and newspaper cameras were on hand and the event was

featured Sunday and Monday in the big city's news media.

Bill Brook said:

"I consider this demonstration a very definite show of strength. We have been 'orphaned' up here for years and now we have an aroused citizenry."

"This area has been studied to death for the last 20 years," Brook added, "and now we want to see some action here. We have to get this veto overridden. We need letters, telegrams and phone calls; and we're going to save this Chain of Lakes and restore it to the condition it was in 50 years ago, if at all possible."

"Next time you throw your golf bag over a cliff, make sure to let go."

"Outstanding service? You get that right along with our low rates..."

Along with our famous low-cost auto protection comes a promise of prompt, personal service. So you don't have to give up a thing to get our low rates. You just have to take advantage of them...

The Thelen brothers, Vern and Ray,
Made this place what it is today,
With an old Ford loader and gravel truck,
Two long-handled shovels and a lot of pluck.

They worked all day and Sundays too,
That's how the business grew and grew.
Now they have Jack and Little Ray;
They are busy running the place today.

Ray Weber and Mike chase after dough;
They all help make the business grow.
Paula Wu and Chrissy too, of course,
Add brains and beauty to the office force.

If you want more and you have less,
This is the moral of their success.
So if you want to do as well,
Grab a shovel and work like hell.

Toft Interested In Wilmot Track

Ray Toft, president of Toft Auto Racing, Antioch, said he will meet next Monday with the Kenosha County Fair board to discuss his possible management of the Fairgrounds' stock car race track in Wilmot for the 1976 season of stock car racing. Toft, currently promoter of

the stock car racing events at the Lake Geneva Raceway, once was manager of the Wilmot track for the Interstates Racing Association, and prior to that was active as a car owner and sponsor.

Depending on the outcome of the meeting, Toft said he could

be the promoter of both the Wilmot and Lake Geneva Raceway tracks for the next several years.

Toft has a long political career in Lake County and is a former mayor of Antioch. He and his wife, Joan, own and operate the Sunny Banks Resort on Channel Lake.

"Tee off from the grass, Harry. We haven't had much rain lately."

Lake Geneva Drivers in Hot Competition

Wayne Lensing of Rockford starred in the final Sunday night of action at Lake Geneva Raceway.

Racing in the sportsman stock car group, Lensing set fast time and then won a 10-lap heat race and the 25-lap feature.

Saturday night late model and sportsman racing was rained out but will return and be joined by the spectator stock cars this Saturday night.

JACK Ester's 1973 Camaro wound up deep in the infield sand recently on the start of the 30-lap feature race that Ester had voted to win.

The Antioch driver is second in point standings to Al Schill who has two feature race wins. Three other drivers have won twice but trail Schill and Ester in point standings.

The car is repaired and Ester

will be back this Saturday trying for the feature race win once more. He has only three more Saturday nights to win his

first feature. The Antioch driver will be in the season championship 50-lap feature race on Saturday night, Sept. 20.

Menus

EAT YOURSELF SLIM

By SHIRLEY BRIGHT BOODY
Registered Dietitian
Copley News Service

The term "diet" means many things to many people. To some it's a dirty four-letter word.

Diet comes from the Greek meaning "a manner of living" — doesn't that sound better?

There are as many reasons to shun the discipline of a diet as there are ways to put on weight, and, believe me, I've heard them all. Most of the reasons come from misconceptions, such as believing you must have dull and unappetizing menus.

Let me put an end to the misconception that dieting means depriving you of either the joy of cooking or the pleasure of eating by giving you some ideas for menu planning that will not add pounds, but will add enjoyment.

I am going to start with breakfast and, who knows, you may even be able to stimulate some reluctant morning appetites.

As a basic breakfast pattern, I always suggest a fruit, a protein, bread or cereal and a beverage.

Menu No. 1
Broiled applesauce
Herb omelet
Oatmeal toast
Coffee or tea

Recipes:

Applesauce: use $\frac{1}{2}$ cup for each serving (diet variety) — place in pan, sprinkle with ginger, cinnamon, pinch of salt and sugar substitute. Place under broiler until hot and bubbly — about 5 minutes.

Herb Omelet: for 2 servings beat 2 eggs and 1 tablespoon cold water. Add pinch of salt, white pepper and 1 teaspoon Fines Herbes. Melt 1 tablespoon corn oil margarine in heavy iron skillet (you obtain dietary iron from iron cookware). Add eggs and shake gently to distribute evenly. Pull eggs toward center as they thicken. Sprinkle with 1 tablespoon dried parsley. Slide eggs out of pan and fold over.

$\frac{1}{2}$ or 1 slice oatmeal bread, toasted and spread with soft corn oil margarine. Coffee or tea.

Menu No. 2
Orange Cloud
Canadian Bacon
Cinnamon Toast
Coffee or Tea

Recipes:

Orange Cloud: In blender combine: 1 cup orange juice, 3 tablespoons nonfat dry milk powder, 1 raw egg, pinch salt, 1 teaspoon sugar substitute, $\frac{1}{4}$ teaspoon vanilla, 2 ice cubes. Whip until frothy. Serve immediately with mint sprig.

Cinnamon Toast: Combine 2 teaspoons cinnamon, 1 teaspoon sugar substitute, pinch salt (these amounts can be changed to taste). Spread bread with corn oil margarine, sprinkle cinnamon mixture evenly and place under broiler until bubbly — 1 or 2 minutes.

Canadian Bacon: Cook 1 or 2 slices in heavy iron skillet until almost crisp. Serve hot.

Cross-Country Team Tunes Up

Those young men you see running around town aren't being chased by the police.

They're members of the Antioch High School cross-country team, getting in shape for another winning season.

Vikings Play Here Sunday

The Antioch Viking football teams will play against Rolling Meadows Sunday at the high school field.

The lightweights will kick-off at 12:30 p.m. and the heavyweights at 2 o'clock. No admission is charged for the games.

The Vikings held bake sales last Saturday to raise money for their program. Coaches of the teams expressed their thanks to the First National Bank and the Lake Villa Trust and Savings Bank for the use of facilities.

Their first competition is scheduled Saturday when they run in the Crystal Lake invitational meet.

The team has only five returning lettermen, but quite a few promising newcomers and some strong returnees from last year's freshman-sophomore group.

The Sequoia runners will defend their Mundelein invitational title this year and try to improve on last year's second place finish in the conference.

third in the county and fifth in the district.

The lettermen are seniors Bob Dubek, Jim Grippando, John Kaminski and Jack Wojnowiak, and junior Bill Harland.

Other veterans include Mike Corso, Bob Ogden, Mike Payne, Fred Bentel, Bill Dubek, Edison Sankey and Dave Walpole.

Newcomers on the squad are Ken Liddle, Fred Wilms, Jim Becker, Ron Gossman, Mark Biel and Dan Reband.

Berry of Winthrop Harbor, for her outstanding contribution to the Antioch Swim Team program, sponsored by the State Bank of Antioch. Presenting the trophy for the coveted award is Chris Walpole, right, the Dodd recipient for 1974.

COIN BOX

New medals

By GARY L. PALMER

With the array of Bicentennial medals that have been struck, and the many still to be minted in the coming year, it's often difficult to determine which are worthiest to consider for purchasing.

Many are rushed hastily through a slipshod minting process. Others commemorate quite insignificant places and events. Many show little attention to detail. And still others show little creativity or thought to the art of metallic sculpture.

But one new set of 12 medals which would seem to meet the highest of standards in all these categories is being offered by the Hamilton Mint of Arlington Heights, Ill.

"The Spirit of America" is the title chosen for these truly artistic dozen medals, each one designed by a different distinguished sculptor.

The entire collection has been struck in bas relief, representing months of collaboration between the sculptors and engravers of the Hamilton Mint.

The thought which has gone into each medal is evident in the depictions to carry out the individual themes.

The obverse bears the artists' original portrayal of one facet of the American heritage, strength, prestige or freedom. The reverse will have the artist's signature and the Hamilton Mint hallmark.

The superbly crafted medals contain approximately 1,000 grams of .999 fine silver (more than two ounces) and will be limited to 10,000 First Edition sets. Each medal measures two inches in diameter to show the sculpture to best advantage.

The medals will be issued on a monthly basis to series subscribers at a cost of \$25 a month. Each subscriber will be assigned the lowest serial number available at the time the application is accepted, and each medal issued in the set will bear that exclusive number.

A limited edition of 5,000 in 24-karat gold on silver will be offered at \$35 per medal. Subscriptions will be accepted only until the edition limits have been reached.

In addition, each subscriber will receive at no cost a deluxe walnut display case and a brochure describing the sculptors and their works.

The medals may be obtained by writing "Spirit of America," The Hamilton Mint, Dept. NR, 40 East University Drive, Arlington Heights, Ill. 60004.

Jones Wins \$1,090 At Waukegan Track

Tom Jones dominated late model action again Sunday night at Waukegan Speedway, winning both legs of the Twin-50's.

Jones took home \$1,090 for the wins to become the first driver ever to top the \$1,000 mark in one night at Waukegan. He had also set fast time among the 31 cars entered.

The Saturday night rainout of the Carling 50-lap championship race rearranged the schedule for the balance of the season. That point race will be run Saturday night.

The trophy awards, scheduled last Sunday will be made

following the "City Championship" races on Sunday afternoon, Sept. 14.

Jones has clinched the championship, but the rest of the positions are still unsettled.

Paul Horst edged Bob Hopkins in the 12-lap hobby feature race Sunday night. The hobbies have two special races remaining this year, including this coming Sunday afternoon and Saturday night, Sept. 13.

Jones' big late model pay-off included lap prizes, the purse money, a case of beer for fast time and a 23-channel citizen's band radio.

Cold test proves aspirin not too hot

CHICAGO — Research workers at the University of Chicago's Abraham School of Medicine describe aspirin as "disappointing in the amount of benefit" derived in treating the common cold and say the drug makes an infected person more apt to "shed" cold germs.

Aspirin was of some help in relieving inflamed eye tissue, relieving headache and sneezing, decreasing nasal discharge and generally made sufferers feel less ill.

THE ANTIOCH NEWS HOPES
YOU HAVE A HAPPY DAY.

CONSUMER CUES

By BARB MAYER

You've probably noticed by now that your catsup bottle, peanut butter jar and six-pack are wearing stripes these days.

The stripes are actually a cluster of black lines of varying widths and a series of 10 numerals that allow merchandise to be "read" by computers built into grocery store checkout counters.

The symbol, known as the Universal Product Code (UPC), currently appears on nearly 60 per cent of all grocery items sold in this country.

About 25 stores throughout the nation are operating fully computerized checkout systems utilizing the code.

Food industry officials predict that close to 8,000 of the nation's largest supermarkets will be using the system within five years.

They also say that the UPC system will speed consumer traffic at checkout counters.

How does UPC work? Coded merchandise is passed over laser scanners built into checkout counters. The scanners translate the code and automatically retrieve the price from computer memory banks.

Simultaneously, the scanner shows a product description and price on the system display panel, prints the same information on the sales receipt and establishes the need to restock the item on the shelf or the need to re-order.

In addition, the system will maintain a memory of taxable items and calculate the tax for those items, accept returned merchandise, verify checks and redeem coupons, post credit from bottle returns, calculate items covered by food stamps, dispense trading stamps and print all this information on the receipt.

The 10-digit number appearing on the package identifies the product manufacturer and the contents and package size. The parallel lines communicate the same information to the scanner.

The cost of the complete UPC system for a store with 10 checkout lanes is about \$125,000, roughly twice the cost of conventional checkout equipment.

Woodstock Is Sequoits' First Foe

The high school football season will be kicked off here Saturday and Antioch's Sequoits hope to do it properly.

They would like to give Woodstock's Blue Streaks a good thrashing, just for openers toward a winning season.

The varsity game begins at 2 p.m. at the ACHS field, following a sophomore contest at 12 noon.

Coach Roy Nelson's Antioch varsity had a 1-8 record last fall, but Mr. Nelson thinks prospects are improved for this year.

"IF THE PRESENT attitude prevails, we'll be better," he said. "If we work hard and stay together." He said the team gained a lot of togetherness during a 3-day clinic in which they "lived together" at the high school.

Nelson credited his assistants, offensive coach Ted DeRousse and defensive coach Steve Wapon, with helping to ignite the good attitude.

But he pointed out that, once again, "we are small. This isn't the biggest team Antioch has had."

The starting lineup on offense might look like this (with weights behind the players' names):

Ends - Dan Vos 142 and Chris Boarini 168.
Tackles - Don Norwick 161 and Bruce Kecskemeti 201.

Guards - Dave Bogaerts 161 and Rich Dauck 180.

Center - Dick Kessler 190.

Quarterback - Jon Bodin 165.

Running Backs - Dave Moore 179, Tim Shepperd 193.

Flanker Back - Dave Wurster 148.

THE SEQUOITS lost their second-string quarterback when Mark Stewart cracked an elbow last week. He was a star with the sophomore team last year. Ken Breidel now is the back-up quarterback.

"FIRE!" One starts every 45 seconds

A fire breaks out in an American home every 45 seconds.

Tragically, many families who have fires don't have adequate homeowners insurance.

Building costs are one reason—they're 50 per cent higher than a few years ago.

Make sure your insurance covers your home at today's higher prices.

Review your insurance with your Country Companies agent. There's a good chance he can save you some money with coverage from Country Mutual.

Country Mutual—one of the Country Companies. We're a little different than most insurance people.

Antioch, Illinois

Moore did some dazzling running in last year's opening game, a 35-6 victory over Round Lake, then sat out much of the season with injuries. He and Shepperd could give the team a strong one-two, ball-carrying punch.

Nelson said Boarini, who is 6-foot-2, is a transfer from Carmel High School and a pleasant surprise at end. The coach added that the squad still has 50 players and a lot of them are good, tough athletes.

THE DEFENSIVE lineup might look like this:

Ends - Dick Kessler 190 and Doug Schreiber 177.

Tackles - Shepperd 193 and Paul Petty 162.

Linebackers - Rich Dauck 180 and Rich Coles 155.

Middle Guard - Don Norwick 161.

Defensive Backs - John Kakacek 148, Tom McAvoy 160, Don McGrain 169 and either Dennis Varney 150 or Dan Vos 142.

WOODSTOCK BEAT Antioch 22-6 last season, pulling some defensive stunts that confused the Antioch offense.

The Blue Streaks' also had a sophomore

fullback, Ron Genot, 6-3 and 200 pounds, who scored all of his team's points in that game. Genot is expected to be along Saturday when Woodstock pulls into Antioch for the opening game.

NELSON AND HIS assistants pick Wauconda to win the Northwest Suburban championship. They rate themselves fifth, behind Warren, Lake Zurich and Grant. From sixth through 10th, they expect to find Cary Grove, Woodstock, Grayslake, Stevenson and Round Lake.

With an experienced quarterback in Bodin the Sequoits might do more passing this season.

Nelson says he has "small, quick linemen and a better running attack with more speed than last year.

"We could be explosive if the passing attack lives up to its potential," he said.

Help may come from the juniors, who had a 6-3 record as a sophomore team last year.

After Woodstock, the Sequoits travel to Stevenson on Sept. 13 then return home for a Saturday, Sept. 20, game against the conference favorite, Wauconda.

Instruction For Boaters

Safe handling of all types of boats, especially the small outboard, is emphasized in free boating instruction offered by the Chain-O-Lakes Power Squadron.

A 10-week course begins Tuesday, Sept. 9, at 8 p.m., in Fox Lake, at Grant High School.

Registration open to interested men, women and older teens, will take place opening night. It is not necessary to be a boat owner.

The classes cover boat handling under normal and adverse conditions, seamanship and common emergencies.

Clinic Offers Programs

The summer lull is ending and
 meetings of clubs and organizations
 are starting again.

Family Counseling Clinic's
 speakers bureau is offering
 presentations dealing with
 psychology and related fields.

The clinic, on Rt. 120 just west
 of Rt. 45, is an Illinois registered
 psychological association.

Staff psychologists and social
 workers are available to speak
 on child rearing, family therapy

and human sexuality.

New this year is a slide
 presentation titled "The Looks
 of Love." The program uses
 cartoons, photographs and
 music to examine the institution
 of marriage and the marriage
 relationship.

Persons interested in ar-
 ranging for a speaker or
 receiving a brochure about the
 service can call the clinic at
 223-8107.

Church School Begins Sept. 14

The Antioch United Methodist
 Church will begin a new
 schedule and program for its
 church school this fall.

Beginning on Sept. 14 and
 running through May 30,
 children from the fourth grade

and up will have the opportunity
 to attend the regular worship
 service at 9:30 a.m.

Children in the third grade
 and younger will have their own
 worship service and related
 learning experiences during the

9:30 hour. At 10:45 a.m.,
 immediately following a brief
 coffee and Kool Aid fellowship,
 classes will begin for all ages,
 nursery through adult. The
 public is welcome to attend the
 worship and study sessions.

OBITUARIES

CLARENCE L. LOTH, 68, of
 Silver Lake, Wis., passed away
 Aug. 30 at Kenosha Memorial
 Hospital. He was born Aug. 24,
 1907 in Camp Lake, Wis., and
 resided in Kenosha County all of
 his life. He had been employed
 for 13 years by the Wisconsin
 Gas & Electric Co. then worked
 for 27 years at the American
 Motors Co. in Kenosha, retiring
 two years ago. He was a
 member of Local 72 of the
 U.A.W. in Kenosha. He married
 Edith Fremming on Nov. 14,
 1942 in Union Grove, Wis.

Survivors are his wife Edith;
 one daughter, Miss Betty A.
 Loth of Silver Lake; one son,
 Kurt Loth of Silver Lake; one
 sister, Mrs. Florence Schmal-
 feld of Silver Lake. He was
 preceded in death by one

brother.

Services were held yesterday
 at the Strang Funeral Home in
 Antioch. Rev. Gene Campbell
 officiated. Interment was in
 Salem Mound Cemetery, in
 Silver Lake.

JOSEPH R. WEISS, 72, of
 Antioch, passed away on Aug.
 30 at St. Therese Hospital. He
 was born Dec. 1, 1902 in Chicago
 and resided there until moving
 to Antioch in 1955. He retired in
 1961 as a dispatcher for
 Transport Trucking in Chicago.
 He married Frances Jones on
 Sept. 20, 1924 in Chicago.

Survivors are his wife Frances;
 two daughters, Mrs. Dolores (Ernest)
 Pearson of Villa Park, Ill., and Mrs.
 Virginia (Robert) Welch of
 Harwood Heights, Ill.; two sons,
 Richard (Earlene) Weiss of
 Antioch and Robert (Lani)
 Weiss of Washington; one
 brother; 19 grandchildren and
 three great grandchildren. He
 was preceded in death by one
 brother and one sister.

Funeral services were held
 yesterday at the Strang Funeral
 Home in Antioch. Rev. Philip O.
 Laurin of St. Stephen Lutheran
 Church officiated. Interment
 was in Hillside Cemetery.

Prayer Groups Meet Sunday

The charismatic prayer groups of Northern Illinois and Southern Wisconsin will hold a day of Renewal Sunday at St. Benedict's Abbey, Benet Lake, Wis.

Fr. Gene Oborny of Kenosha will speak at 1:45 p.m. on "God's Word and the receiving of His truth in our lives."

The "Children of the Light" music group will accompany Father Oborny and will lead the "singing and sharing" session.

The day's schedule includes Mass at 10:30 a.m., registration from 11:30 a.m. to 12:45 p.m., noon potluck dinner (bring a dish), singing and sharing at 12:45; Fr. Oborny at 1:45. There also will be free time, fellowship, introduction for newcomers and from 3:45 to 5 p.m. a prayer meeting.

Admission is free and the public is invited.

For more information, contact Fr. Henry at St. Benedict's Abbey, 414-396-4311 or Mrs. Lorraine Cerk, 395-1326.
